

# Miramar Radio Control Flyers

## toys for tots fly-in

**Date: December 13, 2008**

Time 0800 - 1400 hrs (8:00AM to 2:00PM)

Location: Capt. J. McNerney Memorial Field

(MRCF Field, East Miramar. See reverse side for directions to field)

Refreshments and a light lunch will be available

The field will be open to all AMA members with a min. \$10 donation of a new unwrapped toy (toys should be for any range child to teen, either boys or girls). Spectators attending may also participate in donating an unwrapped toy to the Toys for Tots drive. Cash donations will also be accepted.

Trainer aircraft and instructors will be available for First Timers to come out and get an introduction to Radio Control flying.

All types of model aircraft are welcome to fly. Foamies, scale, sport, helicopters, etc. are all welcome.

AMA and club rules and regulations will be enforced.

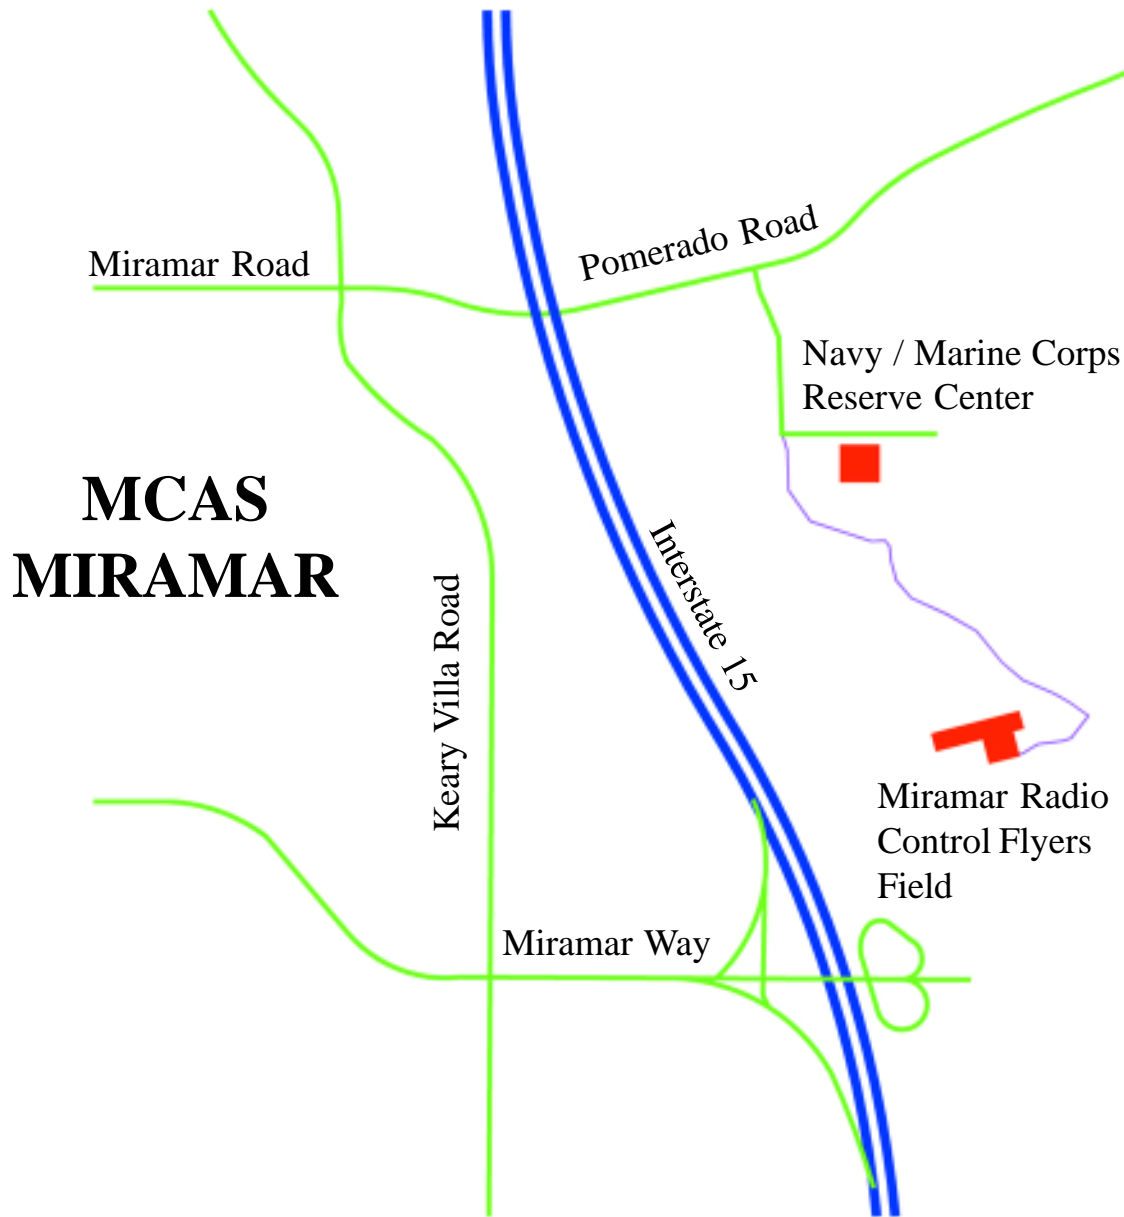

The toys at the end of the day will be brought to the Flying Leatherneck Museum aboard MCAS Miramar.

Please join us for a fun day to help out Toys for Tots!

There will be no rain day rescheduling for this event.
